What Others Are Saying ...

Working with April Jones and her company has been a tremendous asset. Never before have I met someone who is so organized and professional. Her dedication to her clients is priceless. Her commitment to excellence is what every client deserves and April B. Jones delivers.

Ledell Eackles
Former NBA Player

April Jones is a dynamic individual who is passionate about empowering women and youth. A gifted author, presenter and coach, her workshops and keynotes motivate others to take personal inventory and move forward in living a life with confidence and self-acceptance. She is a winner!

Linda Ellis Eastman, President & CEO
PWN International

I just wanted to thank you for coming to speak to us at the Society of Women Engineers' Day! Everyone loved your presentation! They all came up to me later that afternoon and said how wonderful it had been and that they had learned so much about themselves and what they need to do to get their lives on track and accomplish their goals. I would highly recommend you for any similar events!

Caitlin M. Matyas, President, Society of Women Engineers
Catholic University Chapter

The business development services provided by Ms. Jones were well worth my time. She helped me to look at my business growth from a new perspective. With my newly developed strategy: I have been awarded two additional contracts with local businesses.
